

P.A.T.H.S. MONTHLY MEMBER MEETING MINUTES

Tuesday, March 18, 2008

Future Events

The Walk-a-Thon coordination is moving forward.

- Name Tags/Lanyards will be designed and printed by Mark Tuchman; the students will have an opportunity to decorate them for the event.
- Colette Felten coordinated and presented to both the elementary and middle schools "Kick off" assemblies. Both events went well, students seemed very enthused.
- E-mails for sponsorships have been sent out to families with a follow-up letter to be sent home a week later.
- April is a big month for Valley School with the Walk-a-Thon scheduled for April 4th; the Science Fair on April 11th and the Carnival being held on April 25th. Volunteers are needed for all three events; please contact the school office if you can help out.
- There won't be a family night for April; the next one is scheduled for May 13 at Islands in Encino. Judy Rabska has contacted the restaurant, but has not confirmed the date as of yet.

Fund Raising Update

- Valley School families shopping at Target helped raise \$153.55 – Target's corporate contribution back to the community was received in early March.
- The Box Top campaign brought in \$122; a little short of the \$500 goal, but better than last year; a check should be received by mid-April.

Spring Show

- Ms. Sheila has requested help with the costume for the Spring Show. She will provide us with a list of items needed.
